

ADHD Task Paralysis Reset

7 Small Steps to Get Unstuck

-  **1 Stop & Breathe**
Take 3 deep breaths. You're safe. This is a fresh start. ☐
-  **2 Pick ONE Task**
Choose just one thing. Keep it simple. ☐
-  **3 Make It Smaller**
Break it into the tiniest next step (2-10 minutes). ☐
-  **4 Choose the First Step**
Be specific. What's the first small action? ☐
-  **5 Set a 10-Minute Timer**
Just 10 minutes. No pressure to finish. ☐
-  **6 Start Before You Feel Ready**
Action creates momentum. You've got this. ☐
-  **7 Celebrate Starting**
You showed up. That's progress. ☐

"Done is better than perfect."

REMEMBER

- ✓ Small steps still count
- ✓ Momentum builds motivation
- ✓ Progress over perfection
- ✓ You are capable of more than you think
